Lectrum® Lectern – Aero & Classic Series

Logos

Maximise the opportunity to promote your venue or organisation with a logo on the Lectrum Lectern. There is a variety of logo options, here are a few examples. Contact Lectrum for assistance.

Lectrum[®] Lectern – Aero & Classic Series

Accessories & Options

Slide Out Laptop Computer Shelf

A very popular Lectrum Lectern option is the slide out laptop computer shelf. The shelf is stored behind the dress panel, out of audience view, when not in use.

For safety a non slip surface is fitted to the computer shelf.

Available on both Lectrum Classic and Lectrum Aero models.

Contact Lectrum for assistance.
